DOCKET NO. T-01051B-06-0175
T-02556A-06-0175
T-03693A-06-0175

**STAFF'S REQUEST FOR
MODIFICATION OF MAY 9, 2006
PROCEDURAL ORDER**

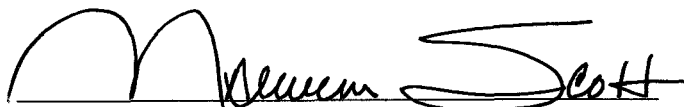

On March 17, 2006, Qwest Corporation ("Qwest") filed with the Arizona Corporation Commission ("Commission"), an application for arbitration procedure and approval of interconnection agreement with AzCom Paging, Inc., Smith Bagley, Inc., Handy Page, AnswerPhone, Inc., Star Page Inc., Glen Canyon Communications Inc., Nextel West Corp., Western Wireless Corporation, Tele-Page, Inc., Westsky Wireless, L.L.C. and PacWest Telecomm, Inc. (the "Carriers").

Since Qwest filed its application, it has heard from a number of the Carriers listed in its original application and they have been able to agree on new interconnection agreements. Qwest has not heard from or has been unable to reach agreement with the following Carriers: AzCom Paging, Handy Page, Glen Canyon Communications and Tele-Page. It is Staff's further understanding that the agreement with Handy Page will be resolved in a separate proceeding.

1 On May 9, 2006, the ALJ issued a procedural order in this docket which required Staff, Qwest
2 and other parties to file testimony or a position paper by May 25, 2006. To date, Staff has not been a
3 participant in this docket. Staff seeks modification of the procedural order to allow it to first review
4 the testimony or position papers filed by Qwest. Staff therefore, requests that it and other parties be
5 given until June 6, 2006 to file their position papers in this matter. Staff would propose that Qwest be
6 given until June 13, 2006 to file responsive testimony. Staff would also request that the procedural
7 conference be rescheduled to June 15, 2006. Staff would not propose changing the hearing date now
8 set for June 19, 2006. Staff has discussed this schedule with Qwest, and Qwest has no objection to
9 Staff's proposed changes.

10 WHEREFORE, Staff respectfully requests that the procedural schedule in this docket be
11 modified in the manner set forth above.

12
13 RESPECTFULLY SUBMITTED this 25th day of May, 2006.
